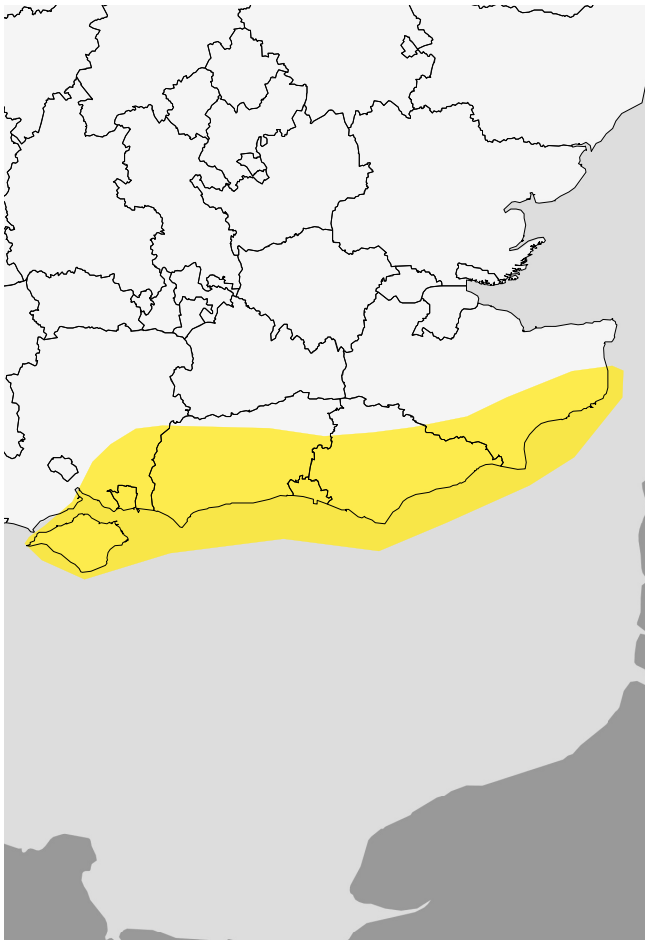
Rain

Between
00:00 Mon 30 Oct 2023 and
22:00 Mon 30 Oct 2023



More wet weather could bring disruption to parts of southern and southeast England on Monday.

What to expect

- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- Spray and flooding could lead to difficult driving conditions and some road closures
- There is a slight chance of power cuts and loss of other services to some homes and businesses
- There is a small chance that some communities will become cut off by flooded roads

Further details

After a wet week, further heavy and at times thundery showers, are expected on Monday.

Many parts of the warning area will see 10 to 20 mm whilst the wettest spots, most likely near to English Channel coasts, could see 30 to 35 mm.

Reason for update

The validity period has been extended to 2200 this evening.
